

FOOD & BEVERAGE

- Taproom Bar

We proudly offer the **Mister Piper** brand of tap room chemicals.

GLASS CARE

CABINET GLASS WASH

- Highly recommended for use in all water conditions, especially hard water areas.
- The inclusion of specialized ingredients in the formulation help to prevent the build-up of limescale on glassware.
- Does not affect beer head retention.
- Very economical in use.
- For best results use in conjunction with RCC RA rinse aid.
- SKU: RCC-CGW
- Pack: 7.5 gallons returnables

RINSE AID

- Provides brilliant sparkling, streak free results.
- Eliminates water spotting & improves drying of glassware, crockery & kitchen utensils.
- Contains ingredients to help prevent the formation of scale during the rinse cycle.
- SKU: RCC-RA
- Pack: 7.5 gallons returnables

BLEACH SANITIZER

- "No Rinse" formulation releases chlorine for fast sanitization.
- Effective sanitization.
- Provides excellent stain removal on china and plastic tableware.
- EPA Registered
- SKU: RCC-Bleach
- Pack: 4/1 gallon

DELIMER

- Cost effective and safe for every day use to remove lime build-up.
- High strength, non-foaming formulation is ideal for dishmachines and coffee brewers.
- Descales without fumes.
- Won't harm stainless steel surfaces and extends equipment life.
- SKU: RCC-LSR
- Pack: 4/1 gallon

BEER LINE CARE

Purple Beer Line Cleaner

- Formulated using a blend of alkali and hypochlorite to rapidly remove yeast protein and residue from the lines.
- Will not damage pipeline or components and effectively cleans pipes.
- Effective in soft, medium, or hard water areas.
- SKU: RCC-BLC
- Pack: 4/1 gallon
