

HOUSEKEEPING - Food Retail

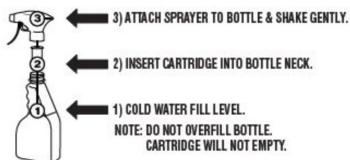

We offer a comprehensive list of hygiene supplies, including cleaners, sanitizers, disinfectants and PHP.

SURFACE CARE

Our cartridge technology means hassle-free cleaning with no cumbersome dilution dispensing system needed and our reusable plastic container provides an innovative sustainability program which many people are attracted to.

- Multi-Purpose Cleaner
- Glass Cleaner
- Restroom Cleaner
- Assure Disinfectant

FLOOR CARE

Our cartridge system is a hassle-free, bucket-less, reusable, cartridge-based mopping system. It is a truly evolutionary option for those looking for a simpler, faster, and more effective clean up solution. Designed with businesses and end-users in mind, the UltraCon Mopping System is the modern, easy-to-use, powerful mopping system you've been waiting for.

- Neutral Floor Cleaner
- Salt Away
- Assure Disinfectant
- Disposable Mop Pad

MOPPING SYSTEM

CLEAN SHAPE HEALTH GUARD SOAPS BY KUTOL

A versatile dispensing option for general purpose hand care products, Clean Shape bottles can be used as a freestanding container on a sink/counter top or mounted to the wall using a bracket.

Portable and durable, Clean Shape bottles will not topple over when pumped. Drips and messy product waste is eliminated.

From restrooms to food service, hospitals to gyms, Clean Shape offers attractive packaging, pleasing scents and effective performance.
